DATE

Jan 18, 1988

The next meeting of the Xerox Amateur radio club will be Jan 21, 1988 at 1700 hours in building 337 conference room B. The business meeting will start promptly at 1700 and Pete Secrist will give a talk on **Basic Packet Radio** starting at 1730.

Dick Germain has asked for volunteers to serve on the Membership and Training Committee as instructors and assistants for a Novice code and theory class. The class will be starting in Feb. The exact time, date and format will be announced. Please call Dick at 28918 or 671-0202 (home) if you can help out.

SPECIAL EVENTS

There has been no apparent interest in the VHF Sweepsteaks contest to be held Jan 23-25. It looks as though our club will not be participating this year. However, we will have handouts available regarding rules etc for those of you who are interested and want to go it alone.

Minutes of last Meeting:

Treasury report: \$240.42 in checking account. The club spent \$91.00 on a telephone answering machine.

Minutes of Nov Meeting deleted

The TIC refused to purchase a set of call books for the club to be kept in the library as reference material.

Lou Kohnen said he could get a set for \$44.00.

Mike Polshuk is getting speakers lined up for future meetings.

Membership/Training Dick Germain... committee chairman wants people to help him and wants to know what the format will be for the classes hopes to get the class going in Jan.

Need people for the H.F. committee...by the way, the 20-10 meter vertical antenna over the station is not connected.

Need 3-4 people for the long range planning committee Ed McKenna is chairman.

Need people for Public Service Committee .

Need people for packet radio committee if there is enough interest.

Discussed the possibility of a bulletin board on the air

Projects;...3AT mobile power pack.....5/8 whip for 220.....converted 49Mhz to 6 meter ... anyone interested???

We are going to try and get the tower up and tested by April if we can get a letter of endorsement.
