

AAC-OVER

THE NEWSLETTER OF THE XEROX AMATEUR RADIO CLUB

***** SUMMERTIME 1986 *****

Attached is a summary of our club Field Day activities June 28-29. The weather was great and we had a lot of fun. We ran one phone station and one CW station. Special thanks go out to Bob Karz for handling the paperwork and filing our entry. Those participating were Bob Dill, Bob Karz, Norm Peer, Pete Secrist and Rick Sykes.

After 16 years at Xerox, I am leaving the company to accept a technician position at Corning Glass Works. We will live in Watkins Glen (my hometown) which is about 30 minutes from Corning. I hope Corning Glass has a ham radio club. I've enjoyed writing the Arc-Over and I'm glad I had the opportunity to be club president this past year. Watch your mail for the date of the September meeting and best of luck to the club in the future. Thanks for your support and I'll see you at the next hamfest.

73 for now,

Bob Dill
